Circular No:- IPWS/PL-224/ Annual Day /06/118

Date:- 10.10.18

Dear parents,

The holistic development of each child at **Indraprastha** is enhanced by the right balance between scholastic and co-scholastic areas of education. We believe that each child is an individual with special strengths and thus, should be encouraged to grow and expand in accordance with his/her own potential. Events like Sports Day, Versatelia and Annual Day, go a long way in nurturing each child holistically.

In sync with the above, I am proud to share that we shall host the **Annual Day in the third week of November, 2018**. The unstinted support of all our parents is an integral factor which contributes to the consistent success of our Annual Day celebrations. Each child is being involved to showcase his/her talent, be it in oratory, musical skills or in performing arts and theatre. You are requested to motivate your ward to be a part of this grand event. We shall inform you shortly about the mode of payment for a small amount towards the costumes and other arrangements for the Annual Day.

A special schedule for the practices has been worked out so as to equalize academics and co-scholastics. Moreover, participating in such grand events not only boosts the confidence of students but also fills them with a pride which raises their self esteem. I request you to encourage your ward for the whole-hearted participation in all activities of the Annual Day, in order to emerge as a more versatile, confident and well – rounded individual.

Warm Regards

Shikha Arora
