

Indraprastha WORLD SCHOOL
Paschim Vihar, New Delhi

Circular No:- IPWS/PL-224/ speaker of the year /06/ 119

Date:- 10.10.18

Dear parents,

Greetings of the day!

Indraprastha World School aims at inculcating sensitivity among young learners towards their surroundings and always motivates them to be the '**Green Ambassadors**' to save the mother earth. Keeping in sync with the same, school has been providing manifold opportunities to them to nurture nature and keep their environment healthy and safe.

One such initiative was taken by the team of the **Speaker of the Year** of planting trees to increase the cover of forest in Delhi and NCR. The students of Class VIII of **Indraprastha** World School who have been a part of this campaign were given saplings in the month of May' 2018 to be nurtured by them. Now, its time for our young stalwarts to plant these saplings with their own hands and sensitize others with their noble gesture. This miniscule endeavour of our children will showcase their love, care and concern for the mother earth.

To accomplish the task of '**Tree Plantation Drive**' our students of class VIII will be going to Noida on **Saturday, October 13, 2018**. You are requested to send your ward to the school by 7:35 a.m. and pick him/her by 12:30 p.m. He /she needs to carry the saplings given to him/ her before the summer vacations, to be nurtured. Kindly, ensure that your ward and come in proper uniform, carries the lunch and the water bottle.

Looking forward for your support.

Regards

Shikha Arora
Principal
