Dear Parent

Indraprastha WORLD SCHOOL believes in honing the intellectual capacities of its students to prepare them for the competitive world. It is our endeavour to ensure that our children excel in academics and shine brilliantly in every sphere of life. In order to further strengthen their performance, the school has taken an initiative to collaborate with BITS Pilani Dubai Campus, one of the 6 Universities that have been granted the status of “Institute of Eminence” by the Govt. of India and Phyzok to conduct a **Pre-Board International Scholarship Examination (PBISE) 2018**.

PBISE is an online diagnostic and preparatory examination for Grade XII students studying in either Mathematics (PCM) or Biology (PCB) Streams. It is a 3 hour test consisting of questions from three subjects based on CBSE Board Exam. After the test, students will get a detailed report on their topic-wise preparation as per Knowledge, Understanding and Application Levels, enabling them to identify the precise areas to work upon before their final exams.

Benefits and Rewards for the Students include the following:

1. Provisional admission in the prestigious BITS Pilani Dubai Campus for students with All India Ranks 1-1000.
2. Upto Rs.10.6 Lakhs each in Scholarships.
3. Rs. 10,000 cash prize for top 3 in the country.
4. Felicitation for top 300 merit holders and their school representatives at the Global Educators' Conference, Dubai in April 2019.

The said online examination will be conducted on **Friday, December 21, 2018 from 9:00 am to 12:00 noon** in the school premises. This examination is purely optional. If interested, kindly fill the consent form and send it to the **class teacher latest by December 10, 2018**.

Regards

Shikha Arora
Principal
