Dear Parents

**'If you tickle the earth with a hoe she laughs with a harvest'**

The fabric of Indian Society is a mosaic of **Vibrant Festivals**. These exuberant occasions convey vital messages and teach us the way of life. **Indraprastha** always strives to instill values among children through the celebration of all the festivals. Let's imbibe the values of togetherness, hardwork, and prosperity amongst our children through the **Participative Celebration** of Lohri, the symbolic festival of **Thanksgiving to Nature**. We solicit your partnership to reinforce the ethos of brotherhood, unity and gratitude. To strengthen the spirit of '**Unite and Share**', you are requested to send **one of the following** quality food items on **Monday, January 14, 2019** to make the **Lohri Celebration** more meaningful.

**50gms Groundnuts/ 50gms Rewri / 50gms Popcorns (in a sealed packet).**

**Please do not send MONEY in lieu of these items.**

**Wishing you a very Happy Lohri!  
May the Lohri fire burn all the moments of sadness  
and bring you warmth of Joy, Happiness and Prosperity!**

Principal**
